

# 38A15-WH

**UPC Code:** 87225700401

**Country of Origin:** Please Contact Customer Service

## Brand Features

Table mount the Scene Switch (38A00-1, sold separately), House Status Switch (38A00-2, sold separately), or the Lumina Mode Switch (38A00-3, sold separately). Conveniently locate throughout the home (bedside nightstand, the desk in a home office, or next to a favorite chair). Plug directly into an electrical outlet with six foot cord. Available in black, part number 38A15-BL.

## Item Description

Table Top Scene Switch Cradle (White, no scene switch.)

## Features and Benefits

- The Table Top Scene Switch Cradle is used to table mount the Scene Switch (38A00-1), House Status Switch (38A00-2), or Lumina Mode Switch (38A00-3) for one-touch control over a room or entire home
- You may purchase the cradle in either Black or White and either with or without a Leviton UPB Scene Switch included
- The Table Top Scene Switch Cradle can be conveniently located throughout the home, including a bedside nightstand, the desk in a home office, or next to your favorite chair
- It plugs directly into a standard electrical outlet and has a cord length of 6 feet
- The Table Top Scene Switch Cradle may be used in stand-alone lighting control that's perfect for a media room or be used in comprehensive lighting control within a security & automation system
