

PERFORMANCE ACCESSORY BARS

Performance Series® Accessory Bars are designed to work with the Performance Series® LAN Stations/Workbenches. These bars make it easy to mount LCD Monitor Mounts and Power Strips to your workstation. The Accessory Bars adjust to any height, and also act as a cable lacing bar. Five options are available to accommodate the various sizes of the Performance Series® LAN Stations/Workbenches.

- Installs in minutes
- Five options available
- Mount LCD monitors
- Attach power strips
- Adjusts to any height
- Made in the USA
- Limited Lifetime Warranty

FEATURES

Easy Installation - Within just a few minutes you can have the Accessory Bar installed in your LAN station and ready for use.

Multi-Functional - Not only can you mount other accessories, such as LCD Monitor Mounts and Power Strips, to the Accessory Bars, but the bars double as a cable lacing bar to help keep your cables neat and organized.
