SmartCode™ 914 Deadbolt

SMALLER. QUIETER. STRONGER.

SMARTCODE™ 914 DEADBOLT WITH Z-WAVE™ TECHNOLOGY

Kwikset®, the leader in residential security, introduces the **NEW** SmartCode™ 914 deadbolt with Home Connect™ Technology! This deadbolt is a new addition to the SmartCode family, and is the most robust SmartCode lock ever made. The metal housing delivers quality that can be felt for added security and durability. Expanding your security system solution with Home Connect Technology, a Kwikset SmartCode keyless entry lock will talk wirelessly to security and home automation systems via Z-Wave to enhance your customer's lifestyle.

New Features

- Sleek metal design for enhanced quality
- Dramatically reduced interior size
- Tamper resistant interior cover
- 11 button backlit keypad

Innovative Security

- BHMA Grade 2 Certified
- 20 Minute Fire Rating - UL Certified
- One touch motorized locking mechanism—enables true remote locking & unlocking
- Backup keyway includes BumpGuard™ for protection against lock bumping.
- Revolutionary tapered deadbolt design—enables misaligned doors to lock without pulling & pushing your door shut
- Full 128-bit encryption security

User Codes

- Up to 30 user access codes for family & guests
- **NEW** MasterCode feature for improved user access code management

Easy Integration

- Replaces existing door hardware with just a screwdriver
- No hard wiring needed
- Operates on 4 AA batteries that will last for approximately 1 year
- Z-Wave wireless protocol
