

VISAGE SERIES

IN-CEILING AND IN-WALL SPEAKERS

VA-610

IN-WALL SPEAKER

The VA-610 in-wall speaker represents the most versatile choice for practically any application, from an in-wall home theater to a high quality listening room. The excellent sound quality derived from the precise integration of the 6½-inch graphite woofer and 1-inch silk dome tweeter provides delightful listening in any room. The A-610 also features a tweeter sound contour switch which allows the tweeter output level to be customized for any room.
