Touch Screen Keypad

The NetworX Touch Screen Keypad offers powerful yet simple control for almost any size application. An intuitive interface, 3.5" touch screen and Quick Keys for rapid system arming and status updates enable quick and easy system management. Users can record their own names for different system components and leave voice messages that will be played when the system is armed or disarmed.

- 3.5" color touch screen
- Streamlined, modern design with icon-based interface
- 192 zone capability
- Quick Arm, Stay and Status keys
- Customizable naming and chime groups for specific zones

Voice-Guided Keypads

The NetworX Voice-Navigation and Advanced Touch LED Keypads feature an exclusive Personal Voice Guide (PVG) that provides step-by-step instruction for all system functions, along with Quick Keys that enable rapid system arming and status updates. An extensive built-in word library allows users to create customized voice labels for zones, areas and outputs.

- Interactive Personal Voice Guide (PVG)
- Voice-enabled status keys
- Customized naming of zones, areas and outputs
- Double-press Fire, Medical and Panic keys
- Quick Arm, Stay and Status keys
- Customized chime groups for specific zones

LCD Keypads

Programmable up to 192 zones, NetworX LCD Keypads offer dependable security in a compact design. A removable door enables the keypad to blend with any décor, while clear status light indicators and backlit keys offer ease of operation. Dedicated emergency keys and pre-programmed function keys provide one-touch convenience.

- Programmable up to 192 zones
- Removable door
- Integrated wireless receiver (NX-148E-RF only)
- Code entry keypad with backlit keys
- Dedicated Fire, Police and EMS keys
- Five pre-programmed function keys

LED Keypads

Designed for reliable protection and ease of use, NetworX LED keypads feature clear status light indicators and backlit keys. Dedicated emergency keys contact fire, police or EMS at the touch of a button, while five pre-programmed keys allow users to perform common functions with a single touch.

- Code entry keypad with backlit keys
- Clear status light indicators
- Optional audio tone when keys are pressed
- Dedicated Fire, Police and EMS keys
- Five pre-programmed function keys
- Programmable up to eight zones
