

Beale Street Audio

PRECB65 & PRECB80
Preconstruction Speaker Brackets

Installation Guide

Get Reale. Get Beale.™

Introduction

Congratulations and thank you for purchasing Beale Street Audio PRECB65/PRECB80 preconstruction speaker brackets.

The PRECB65 and PRECB80 brackets are specifically designed to aid in new construction and provide additional mounting support for the installation of Beale Street speakers.

Please follow the instructions in this manual to assure proper installation and to achieve the full performance and satisfaction you would expect from Beale Street Audio.

PRECB65	Dimensions (L x W):	ARMS (10.75" x 2.5") RING (11.75" x 9.5")
	Weight (with packaging):	7.6 oz.

PREC80	Dimensions:	ARMS (10.75" x 2.5") RING (15" x 11.5")
	Weight:	10 oz.
	Cutout:	10.3"
	Material:	ABS Plastic
	Beale Street Speaker Models:	IC8-B/MB/BB, TIC801, ICS8-MB

Installation

Pre-wire installation:

1. Slide and attach the provided arms to the ring.
2. Fasten the arms of the bracket to the studs or rafters with the raised edge of the ring facing DOWN using screws.

NOTE: Use a level when installing an in-wall speaker

Speaker Installation:

3. After the sheetrock or wall/ceiling is put up, using a hand sheet rock saw or comparable saw or cutting tool, cut a hole for the speaker to be installed. Use the edge of the ring as a guideline for cutting.
4. Once the ceiling or wall has been finished and painted, insert and install the speaker as directed by the speaker product manual.

Limited Warranty

With the exceptions noted in the next paragraph, Vanco warrants to the original purchaser that the equipment it manufactures or sells will be free from defects in materials and workmanship for a period of two years from the date of purchase. Should this product, in Vanco's opinion, prove defective within this warranty period, Vanco, at its option, will repair or replace this product without charge. Any defective parts replaced become the property of Vanco. This warranty does not apply to those products which have been damaged due to accident, unauthorized alterations, improper repair, modifications, inadequate maintenance and care, or use in any manner for which the product was not originally intended. Items integrated into Vanco products that are made by other manufacturers, notably computer hard drives and liquid crystal display panels, are limited to the term of the warranty offered by the respective manufacturers. Such specific warranties are available upon request to Vanco. A surge protector, power conditioner unit, or an uninterruptible power supply must be installed in the electrical circuit to protect against power surges. If repairs are needed during the warranty period, the purchaser will be required to provide a sales receipt/sales invoice or other acceptable proof of purchase to the seller of this equipment. The seller will then contact Vanco regarding warranty repair or replacement.

TECHNICAL SUPPORT

In case of problems, please contact Vanco Technical Support by dialing 1-800-626-6445. You can also email technical support issues to techsupport@vanco1.com. When calling, please have the Model Number, Serial Number (affixed to the bottom of the unit) and Invoice available for reference during the call. Please read this Instruction Manual prior to calling or installing this unit, since it will familiarize you with the capabilities of this product and its proper installation. All active electronic products are 100% inspected and tested to insure highest product quality and troublefree installation and operation. The testing process utilizes the types of high-definition sources and displays typically installed for entertainment and home theatre applications. For additional information please visit www.vanco1.com.

LIABILITY STATEMENT

Every effort has been made to ensure that this product is free of defects. The manufacturer of this product cannot be held liable for the use of this hardware or any direct or indirect consequential damages arising from its use. It is the responsibility of the user and installer of the hardware to check that it is suitable for their requirements and that it is installed correctly. All rights are reserved. No parts of this manual may be reproduced or transmitted by any form or means electronic or mechanical, including photocopying, recording or by any information storage or retrieval system without the written consent of the publisher. Manufacturer reserves the right to revise any of its hardware and software following its policy to modify and/or improve its products where necessary or desirable. This statement does not affect the legal rights of the user in any way.
