

SECURE YOUR SPACES

ADA compliant, fire code-approved IQ Lockdown:
Your best proactive solution to active threats.

 **LOCKDOWN**

GIVE CONTROL BACK TO YOUR FACULTY AND STAFF.

IQ Lockdown gives the option to lock down rooms individually, in groupings, or system wide within seconds. This provides access control they need while providing peace of mind to authorities and first responders.

IQ Lockdown installs easily and can be activated manually, with the mobile app, or the optional key fob. With its low maintenance costs and available egress button, IQ Lockdown is the right plan to protect your people.

FAST

Activates in a matter of seconds

EASY

Activate & deactivate with fob/button, mobile app, manually

SAFE

Simple, egress options for use upon "all clear"
