Features and Benefits

- Flush-mount cover attaches directly to Leviton Structured Media Center, utilizing provided screws
- To open Structured Media Center, simply remove screws from enclosure
- Flush-mount cover overlaps drywall cutout by $\frac{3}{4}$ inch to hide uneven drywall cuts around the enclosure
- Cover is manufactured out of 18-gauge steel, powder-coated white
- Covers protect home networking components and electronics mounted inside the Structured Media Center
- Flush-mount cover is the most basic, cost-effective option for your Leviton Structured Media Center
