Blank Patch Panel
24-Port, 1U, Black

Part No.: 720847

EAN-13: 0766623720847 | UPC: 766623720847

The Intellinet Network Solutions Blank Patch Panel gives IT staff the freedom to fully create the right network for the organization. Whether wiring connection points for any eligible piece of equipment or adding more ports to the network, the Blank Patch Panel makes the evolution of your network possible. Its pre-numbered ports offer easy device identification, and a removable cable-management bar helps keep cables in place. Designed for Unshielded cable types, the Intellinet Network Solutions Blank Patch Panel adheres to current industry standards and is 19"-rack compliant.

Features:

- Rackmount blank patch panel with pre-numbered ports
- 1U rackmount space
- Designed for Unshielded use
- Removable cable-management bar
- Designed to support the distribution of voice, data, audio, video and fiber optic needs for commercial or residential applications
- Ideal for use in high-density applications with more connectivity in less space
- Designed to fit all standard 19" racks and cabinets
- Lifetime warranty
